

Principal

Forest House Waldorf School is a non-profit organization which strives to offer inclusive education to all who seek it, regardless of religion, political background or culture.

The school is the first Waldorf school in Hong Kong duly registered with Education Bureau of Hong Kong SAR Government, and recently was recognized as a Waldorf School by the International Forum for Waldorf/Steiner Education in Switzerland as is also an associate member of Steiner Education Australia.

The school has been growing very fast, and there are now over 70 students from Class 1 to 5 in the academic year of 2018/19 who are receiving education in our two small campuses in the beautiful countryside - Sai Kung, Hong Kong. According to our strategic development plan, the school will continue to expand its classes from our current 5 to 8 in the next 3 years to reach a full capacity of 150+ students. As a result of this there is a greater need for a full time Principal to serve our school.

The candidate shall be an outstanding, enthusiastic and collaborative school leader who has an understanding of and passion for Waldorf education and can lead us in “nurturing and inspiring our children to become inquisitive, creative, compassionate, independent and responsible individuals”.

Strong pedagogical, strategic, organisational and crystal clear communication skills are required, along with an ability to inspire students, staff and community. The candidate must also have good teaching skills because besides organization and administration duties, the Principal is also expected to take on teaching duties either as Class Teacher or Subject Teacher and/or to lead the curriculum development process for Lower and Middle School from Grade 1 to 8.

If you are an energetic, strategic thinking leader who can't wait to support and promote the mission and values of our school, please send the application letter along with your CV to hr@foresthouse.edu.hk by 31st January 2019. The starting date of employment is negotiable. We also welcome visits to our school.
