## The Importance of Music in Our Time

### Markus Weiss

Markus is an experienced music educator and workshop leader. His aim is to share his diverse pedagogical skills so that teachers can learn the tools for building exciting music programmes that speak to children of all ages.

He is currently teaching music at the Waldorf School in Emmendingen in Germany.

In addition, Markus regularly gives music workshops all over the world. So far he has conducted workshops throughout Germany, Prague, Taiwan, Hong Kong and the west coast of North America in both regular and Waldorf schools.
